## Scout Home Nearly Built Through Bee, Gifts Will Outfit

### Rain Saturday Doesn't Stop Community Enterprise, Work Continues

Despite the rain, 40 men participated in the raising bee of the new Scout home on North Main st., Saturday, reaching objectives in the construction and marking the event as an outstanding piece of co-operative community achievement.

In one and one-half hour the walls and partitions were up and before the day ended the complete frame was built, the side walls sheathed, and a part of the roof boards laid.

During the week a number of men have worked during the day or evening and the roof has been completely laid and the boards covered with felt. Windows will be installed during the week and log siding will start next week.

While no large amount of men can be used at present, a second "bee" is scheduled for Saturday, June 26, when the building will be ready for siding.

The "bee" was an enjoyable event despite the bad weather. George Borovicka and two of his store assistants were there with an electric coffee maker for the serving of hot coffee, and C. K. Anderson supplied doughnuts. A canvas shelter protected the doughnut "dunkers" during showers.

At noon the group went to Bud Holtz' lunch room where lunch, supplied in part by the Business and Professional Women's club and the Antioch Woman's club and by the restaurant, was served. Assisting in the serving at noon were Mesdames W. C. Petty, H. B. Gaston, and D. N. Deering and in the afternoon Mrs. A. H. Kaufmann.

In addition to the labor and supplies provided gratis by residents of the area, some excellent gifts in

## State University Will Graduate Two from This Community Next Sunday

Urbana, Champaign, Ill.—When the 77th annual commencement of the University of Illinois is held here in divided programs, June 19 and 20, Harold A. Atwood, Antioch, Rte. 1, will receive his bachelor of arts degree in teaching of social studies and Beryl D. Bonner the bachelor of arts and science degree.

More than 2,700 degrees will be conferred at Urbana by President George D. Stoddard.

Quincy Wright, professor of international law at the University of Chicago, will be the speaker when Graduate College exercises are held at 10 a. m. (DST) Saturday, June 19, in the auditorium. At that time 78 doctor of philosophy degrees, 451 master degrees, and 4 professional degrees will be conferred.

President Henry T. Heald, Illinois Institute of Technology, will address candidates for degrees from undergraduate colleges and schools at 3 p. m. (DST) Sunday, June 20. More than 2,100 degrees will be conferred in Huff Gymnasium Sunday.

Because the 1948 commencement is expected to be the largest in Illinois history, the two programs were arranged in order to allow several hundred more guests of graduates to attend the ceremonies.

Both programs will be broadcast over the U. of I. non-commercial radio station, WILL (580 kc.).

## Scouts To Face Dads in Baseball Game Wed.

Troop 91 Antioch boy scouts will face a baseball team composed of fathers of the scouts next Wednesday evening, according to an announcement made today by Scoutmaster H. E. Cardiff today. The game will be played on the high school diamond under lights, beginning at 8 p. m. A curtain-raiser will be played by two fly-weight teams composed of members of the troop. The public is invited.

**Lake View Picnic**  
The Lake View subdivision will have its annual picnic Sunday, Aug. 15, at Lake Marie on Rte. 173 at Smith st and Vend rd.

## Village Board Adopts Appropriation Measure; To Hire Plant Manager

An appropriation measure slightly less than that of last year was adopted Tuesday evening by the village board and placed in the hands of the village attorney, George McGaughey.

Salaries will be the same with the exception of the attorney whose compensation was increased from \$400 to \$600.

Insurance costs are more owing to the addition of the fire truck which must be protected.

A portion of the costs of the new sewage disposal plant was paid off, reducing that figure, but provision was made for the expense of a superintendent of the plant. He has not yet been hired.

Reappropriation for the expense of the new fire station was made in the same amount as carried last year.

## Body of Arthur Scott To Arrive Next Week; Funeral on Wednesday

### Wilmot Legion Post Shares Name With World War Veterans

The body of First Lt. Arthur F. Scott, 22, of Wilmot, is on its way home from India, where he was killed in action over Burma on Apr. 12, 1944 in World War II.

Tentative arrangements have been made to hold the funeral service at 2 p. m. (CST) Wednesday, June 23 at the Strang funeral home in Antioch with interment in the Wilmot cemetery.

Semrau-Scott post No. 361 will have charge at the grave.

Friends may call at the funeral home after 8 p. m. Tuesday.

Born Nov. 26, 1922 at Burlington, Wis., Arthur F. Scott upon attaining his youth took residence in Wilmot where he lived for 13 years. He worked as a butcher at the Kriska grocery and meat market at the time of entering military service. He was an athlete at the Union Free High school in Wilmot, especially in football and was graduated from the school in 1940.

Arthur enlisted in January, 1942, and received his wings at Greenville, S. C. He received the Purple Heart and air medals indicating more than 300 combat flying hours in 60 combat missions in the China-Burma-India theatre. He was a member of the famed skull and wings medium bomber squadron of the 10th air force.

In a Memorial Day ceremony at Wilmot this year a posthumous award of the Distinguished Flying Cross was presented to his mother for him.

Wilmot Legionnaires have altered their organization's charter to include the name of Scott with that of Fred Semrau of World War I hero, after whom the post was named at its founding. Hereafter the post will be known as the Semrau-Scott post, The American Legion.

Surviving Scott are his father, William Scott, Sr., the mother, Wilhelmina, four brothers, Charles of Delavan; William, Jr., of Milwaukee; Robert of Burlington and Richard of Wilmot, Wis., and four sisters, Mrs. Margaret Huth, of Chicago; Mrs. Lucille Morton, Antioch; Miss Arlene Scott of Milwaukee and Miss Mary Lou Scott of Wilmot. A brother, Everett, preceded him in death.

## Summer Band at Wilmot Has Twenty-one Members

The summer band at Wilmot had 21 players in attendance for their first meeting last Monday night. Miss Bessie Barnes, director, announces that membership will be increased each week as additional players return from summer camps. Miss Virginia Falt was elected secretary-treasurer. The band will meet in the I. O. O. F. Hall in Wilmot each Monday night from 7:30 p. m. to 9:30 p. m. Advanced players beginning at 8:30.

Membership is open to anyone in the community who is interested.

## Antioch Legion Plans For Dance On Saturday

Antioch American Legion members will attend the district meeting of the organization tomorrow evening at Gurnee. The district takes in the 21 posts of Lake county. On Saturday evening the local post will hold an old time dancing party in the Legion home.

Plans are being made by the post now for the annual carnival July 8-11.

## Plumbing, Wiring Contracts Let for New Fire Station

### Irving Carey Is Successful Bidder—Borovicka Adds Building

With the letting of the plumbing and electrical contracts to Irving W. Carey of the Carey Electric and Plumbing shop, of this village, construction can now be resumed, on the new fire station.

The village board meeting in special session Tuesday evening declared Carey the successful bidder among three on his bid of \$625 for the wiring and \$980 for the plumbing.

Carey's bid fulfilled the legal requirements where most of those opened a week ago did not.

Ed Kidera, the general contractor, who attended the meeting, was given a permit to build an addition to the Reeves drug store and install a new front for a total of \$13,000.

The addition is 35 feet wide and 30 feet deep and will provide much needed storage space. George Borovicka is the proprietor.

The board spent the remainder of the evening making out the appropriation ordinance.

## 1949 Fords to Be on Display Here Tomorrow

Workmen are busily preparing the new Antioch Garage sales room today for the first showing of the 1949 Fords which is scheduled for tomorrow, June 18. The room was recently vacated by the National Tea company when the Company moved into the new building two doors to the south.

Four of the new cars will be on display tomorrow, and they will include two Tudors, one 8 cylinder powered and the other equipped with the six cylinder motor, a Four door sedan and a sedan coupe. In addition the display will include a new Ford truck, which will be delivered to Antioch township highway department soon.

## Antioch Future Farmer Dairy Judging Team Wins Harvard Milk Day Classic

From over a hundred teams entered by Future Farmer Chapters and 4-H Clubs from all parts of northern Illinois and southern Wisconsin in the Dairy Judging Contest, held in connection with The Milk Day Celebration at Harvard, Illinois, Thursday, June 10, the team from Antioch placed in first position.

The Antioch team was made up by Logan Lundgren, Noel Elfering and Jack Choep.

Each member received an Ever-sharp A. C. pen and pencil set. Their coach C. L. Kutil, Vocational Agriculture Instructor, also received a set.

Other winning teams were the Future Farmer teams from Winslow, 2nd; St. Charles 3rd; Sterling, 4th and Belvidere 5th.

Among the individual awards the following from the Antioch High school Future Farmer group received prizes—

Wayne Belcher, who was 2nd high won a Motorola portable radio.

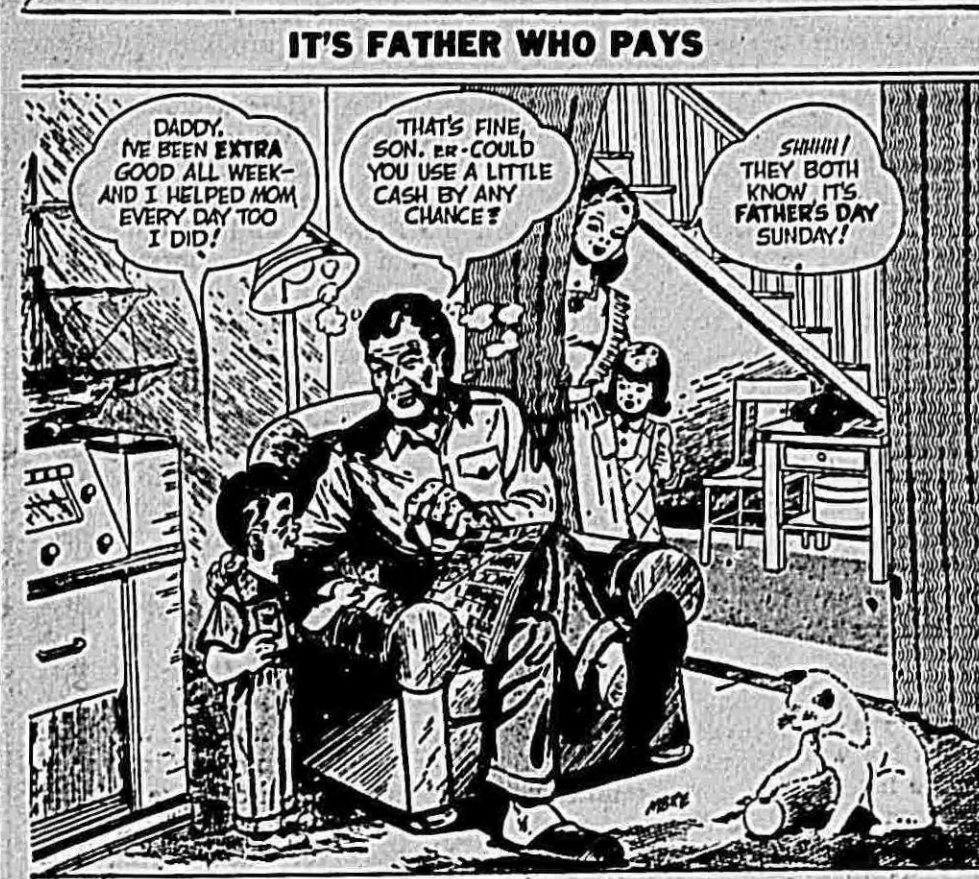

Logan Lundgren placed 3rd and received an Admiral radio.

Jack Choep 11th; Gordon Wells, 13th; Noel Elfering 18th; and George Miller 20th, all received Starline Bull staffs. Miller was entered in the Antioch Unit No. 2 4-H Club team. Individual prizes continued to 50th place.

The Harvard Milk Day celebration was attended by 15,000 people.

A former Antioch girl, Miss Louise Morris, daughter of Mr. and Mrs. Dayton Morris, now of near Harvard, was chosen queen of the day and reigned with her court at this year's celebration.

**Gets Honorable Mention**  
In awarding the McLaughlin Cup prize at Lake Forest Academy's 90th Commencement exercises on June 5, William James Weber, son of Mr. and Mrs. William M. Weber, of Lake Villa, was given honorable mention. This cup is presented to the member of the lower classes who, in the judgment of the faculty, has made the most improvement in studies and best general development.

## Fox Lake Woman Hurt When Row Boat Struck By Motor Craft Sunday

Mrs. Glen Terriman of Fox Lake received head injuries and her brother, J. R. Barthel of Chicago, escaped injury when the row boat in which they were watching the speed boat races well out in Pistakee bay Sunday was run down by an outboard motorboat piloted by Rolling Francen of Arlington Heights.

It was said that Francen was working with a broken rudder and did not see the row boat. The speedier craft ran up and over the row boat, the propeller gouging a hole in the upper side.

Fortunately the boats did not capsize and Mrs. Terriman was brought in to the Oak Park hotel for first aid treatment before being taken to a hospital at Woodstock.

## Davies Circus to Be In Antioch on Monday Afternoon and Night

A circus will come to Antioch next week.

On Monday, June 21, the Ayres and Kathryn Davies Circus will make its first appearance here under canvas. The show, with its headquarters in Dixon, Ill., began as an indoor circus two years ago. The Davies, the youngest circus owners in America, have won praise and acclaim with their show in such cities as Pekin, Elgin, Muscatine and Beloit, Wisconsin.

Under canvas they promise to present one of the cleanest and most entertaining programs in show history. There will be Patsy Lee's educated dogs, Paul Zallee, comedy juggler, Tama Frank and his Wonder Horse, Ruler, Montgomery's military ponies, lovely Betty Tilton, charming aerialist, Signor Shorty, famous midget clown and his troupe, and a dozen other novel and thrilling circus acts.

The circus will give two performances at 2:30 p. m. and 8 p. m.

**Haling Has Biggest Catch**  
"Chuckie" Halting, 14-year-old son of Charles Halting of Haling's resort, Grass lake, had the record catch of bass on the opening day Tuesday. He came in before 10 a. m. with seven weighing from one and a half to two and a half pounds. He caught them on frogs. Game wardens said this was the largest catch of the opening day in Lake county. Charlie is quite proud of his son.

**FRANK SPANGAARD INJURED**  
Frank Spangard, veteran employee of the Antioch Lumber company, was injured Wednesday morning, when a belt on a power saw slipped and the lacing cut a deep gash in his leg. The rescue squad administered first aid and he is under the care of Dr. A. N. Berke. His injury is not serious although he lost a considerable amount of blood before the flow was stopped.

**Boys Club Wins**  
Tom Poulos pitched a four-hit game in aiding the Antioch Boys club baseball team to win from St. Joseph's club of North Chicago Sunday 5 to 4. The game was played at the Antioch High school diamond.

**Big One Caught**  
L. E. Rathbun of Crooked lake caught a 12-pound Northern Pike at Sand lake, Venetian Village Monday evening.

Clark Kohler who had spent the past three weeks at McIntire hospital at Downey returned home Monday and is confined to his home.

## Resolution Passed by Village Board to Widen Main St. to Ida Ave.

### V. H. Kasser, Engineer, Meets With Trustees on Street Projects

Victor H. Kasser, professional engineer from Elgin, Ill., conferred with the village board Wednesday evening in planning the widening of Main st. from Park to Ida ave., for approval of the Illinois State Highway department.

The board passed a resolution calling for the expenditure of \$9,200 in widening the street and in making Ida ave. an arterial street to be improved from Main st to the park east of the village. Care of other arterial streets comes within the amount.

Kasser and the board inspected the streets under consideration and the resolution, as a request, will be sent to Springfield. If the request is granted then the village officials will proceed to get bids and if they are satisfactory with the highway department will let the contract.

## William Runyard, Well Known Local Resident, Passes Mon., June 14

### Carpenter and Contractor Dies Monday After Long Illness

Last rites for William W. Runyard, 78, well known Antioch resident, were held today (Thursday) from the Strang Funeral home. Mr. Runyard passed away Monday, June 14 at 4:30 at his home at 416 Hurdle street. The Rev. G. Richard Tuttle conducted the services and interment was in Grass Lake cemetery.

He was born in Wilmot, Wisconsin August 3, 1870 and was married to Mary Little January 25, 1898, they celebrated their 50th wedding anniversary early this year.

Mr. Runyard lived a long and useful life in this community, having moved here with his wife from Wilmot, in 1898 and had made his home here since. He was by trade a carpenter and contractor having retired several years ago.

He was a member of the Antioch Methodist church and for over ten years served as a trustee, he was a member of the I. O. O. F. Lake Lodge No. 723 and held the highest offices in that group.

He is survived by his wife, a son, Alonzo of Antioch, four brothers, Frank, Robert, Fred and Arthur, one granddaughter, Billie May Runyard, a niece Reta Hawkins Rickert, who grew up in his home.

He was preceded in death by his parents, a sister, Mrs. Norris Procter and a daughter, Jessie.

**NORTH CHICAGO A. C. BEAT ANTIOCH BOYS CLUB**  
The Boys Club Baseball team played the South Side A. C. team of North Chicago, Wednesday evening at Antioch, score 8 to 2 in favor of the A. C.'s. Dan Jones pitched for Antioch and Mattson took over in the 4th inning.

**Advertise For Bids**  
The Lake Villa grade school board is advertising for bids for repair of the roof of the school building. The bids will be opened June 26.

## Fish Rodeo Opens In Big Ceremony; Start Bass Season

### Prize Winning Fish Caught Monday in Lakes Marie And Channel

(By Jack Little)  
The Illinois Fishing Rodeo got off to a momentous start in the Fox Chain of Lakes region this week, with three outstanding developments:

1. The release of almost 1,000 tagged fish, representing a good part of more than \$50,000 in prizes, provided the Antioch territory last Sunday with one of the most spectacular water carnivals ever seen hereabout.

2. Seven prize fish were caught in the first two days of the contest, opening of which was moved up to last Sunday by Director Livingston E. Osborn of the Illinois Department of Conservation, sponsor of the unique event, originally planned to start officially on Tuesday, opening date of the bass season in Northern Illinois.

3. Governor Green's Office announced that a special award of a beautiful gold Dwight H. Green Trophy will be presented to the first Father-and Son combination to catch a prize fish over the Fathers Day weekend June 19 and 20.

**Was Colorful Procession**  
Exploding aerial bombs, screaming sirens, band music and a colorful procession of 103 power craft were features of the gala release of prize fish in the northern lakes of the Chain.

Many citizens of Antioch, plus hundreds of weekend visitors, turned out to witness the gala fish fiesta staged by the Antioch Lions Club, spearheaded by William E. Brook, vice president of the State Bank of Antioch and chairman of the fishing rodeo committee.

## Legion Auxiliary Given Slate of New Officers, Next Meeting Initiation

A nominating committee of the American Legion Auxiliary comprising Mesdames Agnes Hills, Ellen Swenson, Maud Johnson, Vene Cernak and Torborg Nelson chose the following members for office during the coming year:

For president, Mrs. Lucy Himens, first vice president, Mrs. Clara Horton; second vice president, Mrs. Mary Ellis; treasurer, Mrs. Lillian Hand; historian, Mrs. Charles Cernak; chaplain, Mrs. Alma Harden; sergeant at arms, Mrs. Torborg Nelson.

Twenty members were present at Friday evening's meeting in which the officers were nominated.

The organization dedicated four books to the memory of men from Antioch who died in World War II and gave them to the Antioch library. To Sgt. William Randall the book "Exploring Our Monuments", was dedicated; to Pvt. Theodore Carlson, "Heritage of Freedom"; to William F. Erickson, "Our American Government"; and to Edward A. Knickelbein, Jr., "Jim Bridges Mountain Man."

President Mrs. L. R. Van Patten thanked all of the members and the Boy Scouts and Girl Scouts for helping to sell poppies. The total sale was \$291.40. There were 34 workers. Mrs. Dorothy Horan, poppy chairman, and her committee Mrs. Louis Van Patten and Mrs. Lucy Himens plan to treat the 11 Girl Scouts and four Boy Scouts Sunday at the Sno-White shop for their sales work.

There will be initiation next week.

The Antioch unit entertained 47 women patients at Downey Veterans Administration hospital recently. Nine women went and took 236 magazines, 21 decks of playing cards, and gave each patient a gift. They served lunch and afterwards gave prizes at bingo.

The auxiliary welcomed the return of Miss Elizabeth Webb from Arizona where she spent the winter.

**Cancer Drive Succeeds**  
Dr. Robert D. Coghill, director of research at Abbott Laboratories and general chairman of the 1948 cancer fund drive in Lake county, announced this week that the drive had gone over the top. He said that \$23,525 had been raised, \$175 more than the quota of \$23,350 set for county.

## No Substitute For Work

J. J. Newberry, head of the national retailing chain system that bears his name, recently sent a message to store managers throughout the country which contains, in simple, forceful language, fundamental truths that apply to all of us.

He wrote: "The person who makes his job the most important thing in his life, other than taking care of his family, and who has common sense and intelligence to apply to his job, should be entitled to greater success and rewards than the one who only wants to work eight hours a day, five days a week. . . .

"Everything in the way of farming, mining, manufacturing and distribution must keep on expanding to give work to the increased population and to produce and distribute the larger requirements of more people. This will call for more and more leaders of industry.

"Those leaders will be the people who have such enthusiasm for their work they would rather stay on the job and see that which they are interested in progress and grow than to spend their leisure time at less important pursuits. . . .

"When you hear bright young people talking about working only forty hours a week who expect equal compensation with the man who loves his work enough to put the necessary time in to make his company grow, then you owe it to such a person to tell him how wrong his ideas are."

This is an old-fashioned doctrine. It is in opposition to the new and engaging theories of the more advanced social and economic planners. But, whether we like it or not, it is a theory which is solidly supported by centuries of human experience—and human experiment. There is no substitute for production—which simply means there is no substitute for work. A genius may find an easy short cut to success, but the number of geniuses at large at any time can almost be counted on one man's fingers. Mr. Newberry has restated truths which, if abandoned and forgotten, will lead to individual tragedy and failure—and to the deterioration of the strength and pride of the country.

## A Time For Reasoning

There has been an ominous increase in the fear of Russia on the part of the American people during the past few months. This is not said out of a desire to

minimize the seriousness of the international situation. However, it must be remembered that it is possible to fan the flames of fear and suspicion until a nation comes to believe that war is inevitable. And once that stage is reached, war always comes sooner or later.

David Lawrence put this well when he said, "The danger in a battle of words is that it can conceivably develop into a battle of arms." It is unfortunate that American statesmen have been goaded into using language that is not often employed between countries not at war. The Russians, of course, provoked them into it. Even so, difficult as it may be to keep our tempers, we cannot gain anything by war-like talk simply because Russia employs war-like talk. To quote Mr. Lawrence again, "It is a time for restrained phrases and for persuasive argument. It is a time not for feeling but for reasoning."

We can best serve the cause of freedom abroad, in our relations with the Russians and all others, by backing up our material aid with a demonstration of the fact that democracy, as we know it, is superior to any form of super-state. We can, in other words, help combat the spread of communism by example. We must keep our people and our industries free of the governmental controls which plague Europe. And, at the same time, we must continue to work to the limit of our abilities with all nations, regardless of ideology, to maintain the peace of the world. "Fear hysteria" will never achieve that vital end.

## The Low Down From Hickory Grove

What this U. S. A. could use more of, are Governors, and Congressmen, and Big City editors, etc., who were raised in the country—or anyway in the smaller places. If you will tell me how or why you have this idea, says Henry, I will maybe discover if you are talking sense or just poppin'-off like a 3 for a dollar commentator staggering under his burden, or some spokesman in a Govt. swivel chair, saying it is shameful to feed grain to animals when grain is needed by humans.

Old boy, I says, you took the words right out of my mouth. The very thing I had in mind was this tomfoolery blather about meat, and how to get more of same. The experts telling how to solve the problem, if they had been brought up far enough away from the "stop and go" signals to see a pork chop or a round steak on the hoof being raised and fattened for market, they would know that you don't produce pork chops and round steaks via any other way than via grain feeding. You don't raise a pig or a calf on hot air.

Alright then, says Henry, smart as you are, maybe you can tell us what is gonna come of it—or us. Well, I says, maybe nothing, right away. But along by next November, I says, you can get in some licks.

Yours with the low-down,  
 JO SERRA

## LAKE VILLA

The Children's Day exercises at the Community Church last Sunday were splendid, and the children all did exceptionally well in their songs, recitations and the various parts of the service which they did. Rev. Dwight Dixon attended baccalaureate services at Garrett Biblical Institute last Sunday, but will be in his usual place in the pulpit next Sunday.

Mrs. Paul Avery, Sr., entertained the ladies of the W. S. C. S. at the regular meeting at her home on Wednesday afternoon this week. The ladies are completing the plans for the annual summer sale at the school gym on Wednesday, July 7, when they will serve a luncheon followed by card party with plenty of prizes. The white elephant sale in connection may provide just what you are looking for and you will find many very nice things in the fancy work, apron and rug section, also a selection of articles for the baby.

Sue Weber graduated last week from Kemper Hall, Kenosha, and is at her home for the summer and William Weber, Jr., is home from Lake Forest Academy for his vacation.

Mr. and Mrs. Charles Kapple, of Grayslake, were guests of Mr. and Mrs. Charles Hamlin Sunday afternoon.

Mrs. Mayme McLaren whose home is in Florida has been visiting her mother, Mrs. Daisy Riney.

A public library is being assured for our village through the efforts mainly of Mrs. Fred Bartlett and Mrs. Glenn Burt of the P. T. A. It will be in the room adjoining the Village hall, formerly used for the fire truck.

Mrs. Martha Daube entered Victory Memorial hospital last Sunday for surgical treatment.

Mr. and Mrs. Zens Zenor left last Friday on an auto trip to Virginia to visit the Jack Van Burens who live there.

Mrs. Katherine Rhoades entered Lake County General hospital as a

patient on Monday.

A recent company has been formed for the purpose of beautifying and improving our lake region which has become a place of permanent homes instead of a summer resort as formerly. Chester Jones, of Deep Lake, heads the association and Glenn Burt, of Cedar Lake, is an officer.

Warrant Officer Roy Nader of U. S. Army, and his wife, who have recently returned from more than thirty months stay in Germany with the Army of Occupation, are spending three weeks with his mother, Mrs. Anna Nader and other relatives. Roy has spent twenty years in the army and from here will go San Antonio, Texas to be stationed.

Kenneth Hart is back at his place in the bank after a pleasant visit

with his sister in New York. He, with an aunt made the trip by plane and also attended graduation exercises at West Point Academy.

The Public Service Co., is unloading seventeen cars of larger and longer gas pipes to replace that now in use to care for their increased use of gas in the county.

Dr. and Mrs. Long, their daughter, Miss Jean Long and Mrs. Long's mother, Mrs. Hassler, all of Chattanooga, Tenn., spent Friday with Mrs. Hassler's sister, Mrs. Lulu Nelson and on Monday Mrs. Nelson and daughter, Mrs. Ekdahl went to Wheaton college to attend the graduation exercises for the Long's

other daughter, Helen. Leonard Schneider entered Veteran's hospital at Downey for treatment last week.

Mr. and Mrs. Jack Rhoades are nicely settled in their new home at the end of Lake St. and Mr. and Mrs. George Adamek are occupying an apartment on the Marvin Walker property.

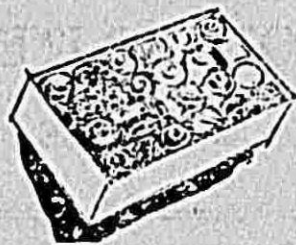

## What Painters Mean

Painters refer to woods as open-grained and close-grained, meaning thereby the relative size of the pores, which determine whether the piece needs a filler.

## What's the Hottest News in Cars since the Self-Starter?

FOR the answer to that, just ask any man who drives a Dynaflo Buick.

He'll tell you, you haven't seen anything yet — until you slip behind a Dynaflo wheel and see for yourself what this new drive does.

It isn't merely that it's easy — though all you do in normal driving is set a lever, press the gas treadle, and steer.

It isn't merely the "stunts" you can pull, such as coming to a dead stop on a steep hill, then moving smoothly away, just by the way you manage the gas treadle.

The important thing is that Dynaflo Drive\* marks a basic change in the way power is delivered from the engine to the rear wheels.

The idea of passing through a series of gears in fixed stages, either manually or by mechanical means, is gone entirely.

Instead, spinning oil is so cunningly directed and controlled in

the Dynaflo unit that it instantly shapes engine power to fit any normal driving need.

When you start, it steps up engine "torque" like a low gear to give you swift, surging getaway.

When you accelerate or climb, it fits the pull of the engine to that particular job.

When you cruise on the level open road, it delivers power with a flowing smoothness that is far silkier than the normal high.

You have manual control of direction simply by moving a lever. You have reserve braking power instantly at your command — and extra power for emergency pulls.

But there is never any clutch-work — there is no clutch-pedal. And never any gearshifting in the old

sense—your power plant does what the forward gears used to do.

Right now, of course, Dynaflo Drive is available only on Buick Roadmaster models.

Go find out about it, at the nearest Buick dealer — and be ready to put your order in, whether or not you have a car to trade.

## SUE WEBER GRADUATED AT KEMPER HALL, KENOSHA

Miss Sue Weber, daughter of Mr. and Mrs. William M. Weber, of Lake Villa, received the high school diploma at the annual commencement of Kemper Hall, Kenosha, June 9. Diplomas were presented by the Rt. Rev. Benjamin F. P. Ivins, Bishop of Milwaukee, to the twenty-four members of the graduating class, and the commencement address was given by the Rev. James O. Patterson of Grace Church, Madison.

Miss Weber, who has maintained honor roll standing through the year, was given an award for her contribution to the choir, and also an award for her work as head of the student fire department. As the Lord High Chancellor in the operetta, "Iolanthe", given by the students on Monday evening, Sue's delightful characterization, as well as her singing, were roundly applauded. She has been accepted for Carleton College and, expects to continue her musical studies.

Miss Sue Scott, daughter of Mr. and Mrs. Leon C. Scott of Antioch, who entered Kemper at the mid-year, has completed the freshman year, and has taken an active part in the various activities of the school.

## LIBRARY NOTES

Every year, Irving T. Marsh and Edward Ehre cull the best stories about baseball, football, hunting, fishing, boxing and other sports from all the publications in the country. The fruits of their labors together with all new records and a calendar of events are published under the title "Best Sports Stories". The volumes for 1947 and 1948 were presented to the Antioch Township Library in memory of Don Bauer, together with one of the "Look at America" series of greatest interest to this section of the country.

"The Midwest", prepared by Look magazine in collaboration with Louis Bromfield, covers Illinois, Michigan, Indiana, Ohio, Minnesota, Wisconsin, Iowa and Missouri. Excellent photographs, many in color, and Mr. Bromfield's text make an illuminating guide for vacation trips or just for armchair traveling.

## Improvement Assoc'ns Invited to Form Council At Lake Villa Meeting

### Organization for Regional Planning Set Up For Lakes Area

Improvement associations of this area have been invited to unite with others in the county in forming a Chain O' Lakes Regional Council, termed a county planning commission.

Preliminary plans were made for the organization last Friday at Lake Villa when under the leadership of Chester R. Jones of Deep Lake, who became temporary chairman, a committee was formed to draw up a constitution and by-laws Friday evening, June 25.

Improvement associations will be asked to send delegates two weeks later to a meeting in studying and adopting some form of by-laws.

Seventeen of the 22 associations invited to the preliminary meeting last week were represented and the idea of the council was accepted unanimously. The meeting was a test as to whether the council was desired and those associations present will have no advantage over those joining later, it was said.

The committee assigned to the preliminary work of forming the organization includes J. W. Mix, East Shore Crooked Lake association; E. W. Balfanz, Petite Lake Highlands; O. V. Caillouette, Duck Lake Improvement association; L. E. Boland, West Shore Crooked Lake association; H. E. Watnarski, Venetian Village; Carl Janenich, Long Lake Improvement association and Mrs. Mabel Hultgren, Gages Lake Improvement association.

Chairman Jones said that the council is occasioned by the changing complexion of the lake region; that the tendency for people to establish permanent homes around the lakes and for new subdivisions to be opened made problems of sanitation.

Four committees have been suggested. They include health and welfare which would cooperate with the state in matters of sanitation and in preventing pollution of lakes and streams; lakes and waterways which would work for the removal of rough fish from streams where they occur and for law enforcement in lake boat traffic; roads and highways committee to seek road improvement and snow clearance; and publicity committee to inform other associations and the public in general what the organization is doing.

The chairman said that one of the efforts would be to discourage subdivision of land that does not lend itself to the use of septic tanks and endangers nearby lakes and streams. Conversion of sloughs comes under this category.

The broad activity of the council could take in the problem of recreation for the youth. Many communities have no movies or places for young people to go for entertainment.

Jones urged associations to send the name and address of their officers so that he can notify them of the next meeting. He can be addressed at Lake Villa.

## Fish Rodeo....

(continued from page 1)

**Crowds Line Shores**  
They lined the shores of Grass, Bluff, Petite and Channel Lakes and Lakes Marie and Catherine. Unfortunately, the piscatorial procession, headed by big boats from Du-Bell, Pregenger's and Charles Haling's, could not make its way into Bluff and Petite Lakes because of the necessity of releasing fish with the greatest possible dispatch. However, liberal quotas of tagged fish had previously been released in both Bluff and Petite, and Bluff Lake became the first water of the state to produce two prize winners.

Amid cheers and music, huge tanks of game fish, tagged in their gills for more than 3,000 prizes ranging from boats, outboard motors and cash, down to lines and lures, were poured into the lakes by pretty little 11-year-old Ann Odds, granddaughter of Mr. and Mrs. Harry W. Hasty of Antioch, assisted by Edward C. Jacobs, president of the Antioch Lions club, and A. J. (Tony) Maggio, assistant chief director of the Conservation Department.

### Contests Starts Quickly

Fishers, men, women, boys and girls, started out immediately in quest of the tagged fish, and in addition to the two prize winners taken from Bluff Lake, others were caught in Channel, Cedar, Long, Round and Maple Lakes. Three tagged fish taken previously in Fish Lake were reported to have been returned to the water by the good sportsmen who had brought them in.

The Fathers Day Trophy offered by Governor Green to encourage Illinois youth to indulge in the healthful outdoor sport of fishing will not be restricted to fathers and sons, it was stated. Any parent and minor child to catch a prize fish over the Fathers Day weekend will

be eligible for the beautiful cup, which is on exhibition in the show windows of the Conservation Department at 180 N. LaSalle st. Chicago.

Two tagged blue-gills good for prizes were caught Monday. Jack Meyer, son of Mr. and Mrs. Ray Meyer of 7443 W. Fullerton st., Elmwood Park, Ill., caught one of them in Channel lake, with bait from the Blue Lantern. The prize tag was No. 1079.

Ray T. Helmkamp, 22nd st. and Prospect ave., near North Chicago, got his blue-gill with tag No. 1908 in Lake Marie and will get a Bendix table radio donated by the Channel Lake Boat house.

E. Lindquist, of Waukegan, caught No. 1213 in Deep Lake, Wednesday.

### FISHING BULLETIN NO. 10

Chicago District Conservation Officers' reports this week contained three pieces of better news for Northern Illinois fishermen:

1. Tests made at numerous points on and around the Fox Chain O' Lakes indicate an abundance of black bass, the season on which opened June 15, coincident with the official start of the Illinois Fishing Rodeo in which \$50,000 in prizes are offered on tagged fish caught.

2. Moderation of temperatures, following cold and rain late last week, have resulted in many limit catches of bluegills, with some good strings of crappie. Best bluegill waters reported for both flycasters and redworm fishermen, are Pistakee Lake, Crystal Lake, Silver Lake, Griswold Lake, Crooked Lake, Sand Lake, Loon Lake, Rock River around Rockton, Fox River around Carpentersville Dam, east shores of Fox and Petite Lakes.

Best for crappie, mostly on small minnows, apparently are Fox River at McHenry Dam, Rawson's Bridge, Wonder Lake Dam, Nippersink Creek, Deep Lake, Des Plaines River at Willow Springs and Pecatonica River at Rockton.

3. After a "layoff" of a few days, northern pike (pickerel) are hitting again here and there, although not in great numbers. Best spots reported are off west shores of Grass Lake and Fox River at Rawson's Bridge where both minnows and spoons have been used to advantage.

### Bass Fishing Starts

Chilly north and northeast winds hampered somewhat the stalwarts among Chain O' Lakes anglers on Northern Illinois' most popular fishing date—opening of the black bass season Tuesday—but catches of from two to four of the fighting bronzebacks were not unusual. Many fishermen, however, came in with empty stringers and hopes for milder conditions this weekend.

Grass Lake, as usual, produced the lion's share of the opening day catch for the thousand or more fishermen who cast their baits upon the choppy waters of the Fox Chain and other nearby lakes. In the lily beds off the southeast shore and channels of Grass Lake, Charles (Chuck) Haling, Jr., produced a string of seven legal bass for the largest catch of the day reported to Conservation Department officers.

Lake Marie rated second and Bluff Lake third, according to general observations. On Marie, Clarence Dressel brought in a scrappy four-pounder for one of the largest bass reported Tuesday, while at least two boats brought in strings of four from Bluff Lake during the day.

A tour of most of the lakes of the Chain indicated that the favorite baits were live frogs and Johnson silver minnows with pork frogs. Numerous northern pike (pickerel) were turned in, ranging from 18 to 28 inches in length.

### Ernest C. Gilroy, Jr. of Lake Forest Wins Annual Lake County Crow Shoot

The Eighth Annual Shoot of the Lake County Crow Club on June 5, was won by Ernest C. Gilroy, Jr., of Lake Forest, with 46 crows, a new high in the history of the Club. Second, with 38 crows was L. N. Hoffman of Morton Grove, a new member of the club but a most experienced caller and hunter. Third was Chas. S. Adams, of Evanston, whose calling was so good as to enable his trio to kill 60 crows during the day, which was marked during the forenoon by rain that was fine for everything but hunting, since it interfered with the most effective shooting hours.

Much appreciated was the presence of two high school boys, Ronald Adalbert and Stanley Gusiec, of Chicago, who, lacking other transportation at the last minute, took a midnight bus to Half Day and awaited daylight there; and of the venerable field trail judge, Henry D. Kurtz of Rogers Park, participating for his eighth year.

The hot coffee served by President Louis E. Leverone at his estate near Half Day, was most enjoyed by the slightly damp hunters at noon. The kill was the highest in the history of the club.

**Storing Grain**  
Grain can be stored almost indefinitely with little deterioration in farm-type bins—those that hold 1,000 to 3,000 bushels—if it is kept dry, cool, clean, and free of insects.

## Scout Home...

(Continued from page 1.)

outfitting the home have been forthcoming, Pickard, Inc. through Austing Pickard is supplying the necessary chinaware. Several power woodworking tools including a lathe, jigsaw and circle saw are being given by George Borovicka and to top his gifts, Borovicka is giving an Admiral refrigerator and an electric stove of the new line of merchandise his store, the Reeves drug store, is handling.

William Knourek, who has his home on the north side of Channel lake, will donate a new 12-inch band saw from the Chicago Machine Woodworkers Tool Co.

Howard Gaston, member of the executive committee, asks that persons who wish to volunteer labor on the building get in touch with him at the Antioch News or phone 43 so that their work can be fitted into the schedule. Three carpenters are at work on the building daily and can direct and help provided.

Although the work will not be in the nature of a bee as it was last Saturday, many are planning to work Saturday of this week. They expect to complete the siding at that time.

Those who helped during last Saturday and at other times since the building was started were: T. R. Birkhead, Ray Atwood, Girl Scouts Virginia Peterson and Mary Curnes, Kenneth Rentner, Wm. Birkhead, George Schalk, Bob Wilton, Fred Stahmer, James McMillen, C. Petty, Irving Elms, Arthur Laursen, Emil Hallwas, Howard K. Gaston, Dr. D. N. Deering, Robert Mortensen, Rual Richards, Billy Deering, Ralph Kinrade.

Harold Cardiff, Paul Chase, Jr., and helper, Wendell Nelson, M. Cunningham, John Teglemann, John Dupre, William Gray, Marvin Heath, Charles Rigby, George Nelson, Dr. Hays, F. Robinson, Otto Luedtke, Fred Scott, Walter Scott, Vern Heath, Sig. Neilsen, B. Manzard, Les Hybarger, Roy Johnston, Les Palmer, George Borovicka, Mr. Vanderkloot, Everett Ottendahl, Chas. Jorgenson, L. R. VanPatten, Jr., Ted Wineski.

Because a complete record is not available, and because the committee wishes to include all names of those who helped thus far with the project it is asking that any omissions from this list will be reported to the Committee. Phone Howard Gaston at the Antioch News, Antioch 43.

### New Blackberry Here!

A new blackberry variety especially suited for freezing has been developed at Oregon state college experiment station. The new variety, called Chehalem, is a cross between the Santiam and the Himalaya. Outstanding characteristic of the Chehalem is its bright black glossy color, which is retained in both freezing and canning.

## Mrs. Tague of Argyle Farm Gains Recognition by Her Milking Shorthorn Cattle

Mrs. William P. Tague of the Argyle Farm and Kennels southeast of the village on Rte. 176 took her share of the honors in the sale of registered milking Shorthorn cattle at Springfield June 10.

She was the only woman who operates a farm breeding that type of cattle to enter the sale and she had three head in the sale of 40 head most of which were yearling heifers. There were six young calves.

Her entries all sold high among the tops in their individual class.

One of the yearling heifers went to Ohio. Her herd won recognition and she received congratulations from the Shorthorn association.

The cattle were selected from the best herds in Illinois by three competent judges sent out to the farms. Her cattle were in fine sale trim and all found ready sale at satisfactory prices.

The top selling animal was a dry four-year-old cow which went to Kentucky at the price of \$770. The sale averaged close to \$800 a head.

# It's the '49 FORD

## It's The Car of the Year!

We'll have it Friday... The Car of the Year, the Ford Forty Niner! It's the one and only NEW car in its field, and you can see it at our showrooms Friday! There never was an automobile like this before. There is no other like it today.

The revolutionary, new '49 Ford is a complete break with the past. It was designed by you—all the way through. Yes, in surveys, letters and personal interviews, you told Ford what you wanted. And it's on its way! It looks like a custom built car!

Just for the thrill of it, look at the list of new features. And for an even bigger thrill—your biggest thrill of the year—see the '49 Ford, "The Car of the Year", at our showrooms Friday!

*It Will Be At Our Showrooms June 18!*

**NEW!** You wanted ROOM. So we gave you a 57" front, and 60" rear seat, with lots of shoulder and elbow room.

## Antioch V.F.W. Beats Richmond and Wilmot, Play Pleasant Prairie

The V. F. W. sponsored Antioch baseball team jumped into the victory column for the first time during the past week, winning from Richmond 9 to 7 last Thursday and from Wilmot on Sunday by a score of 10 to 1.

In the game with Richmond B. Dalgaard of Antioch allowed but three hits, but one of them was a home run with the bases loaded. Antioch collected eight hits off Miller of Richmond. Bernie Schneider cleared the bases with a home run after Antioch had three runs across in the second inning. Eddie Palenski, Antioch third baseman got three hits in three times at bat. Rudy Corrado saved the game by spearing a line drive off the bat of the Richmond second baseman, May, while the bases were filled in the last inning.

In the Sunday game with Wilmot at Fox River park, Ray Bushing held Wilmot to four scattered hits while his teammates pounded Fischer for 13 hits and 10 runs. Antioch played good ball and got their hits when needed.

The day was perfect and the attendance was large with many local people going up to see Antioch play. Carl Barthel, a local businessman, donated one dozen baseballs after their victory.

Today, Antioch meets Richmond

In a return twilight game starting at 6 p. m. The game will be played on Richmond's diamond at Miller's Corners.

Next Sunday the team will travel to Pleasant Prairie. The game will start at 3:00 p. m. D. S. T.
